August 1, 2011

Dear Parents:

Season passes are now available for our home athletic events. As you know, your Celtic son or daughter will use their student I.D. to enter all home events. We feel it is a great opportunity for the family to get out and enjoy an evening together. It is also a nice way to support your school teams.

Choose one of the three plans below. The prices are listed with a form to fill out. Just mail it with a check to the *Providence Catholic Athletic Office*. Your passes will be given to your son or daughter at school.

The regular admission at the door for Sophomore/Varsity boy's events will be \$5.00 for adults and \$3.00 for students (as mandated by the Chicago Catholic League). Admission at the door for Sophomore/Varsity girl's events will be \$4.00 for adults and \$3.00 for students (as mandated by the East Suburban Catholic Conference). As you can see, purchasing a sports pass is not only a great way to support your teams, but a great bargain.

Please Note: All Freshmen Home Football Games Are Free.

Doug Ternik
Athletic Director
