ASPIRE TEST RESULTS

The counselors were in freshman and sophomore English classes the week of March 27th – 31st. Students accessed their Aspire test results via the Student Portal. These results from the fall testing were explained to the students noting benchmarks and college readiness. Academic rigor was addressed and students were encouraged to share the results with you.

The test scores are also in your Parent Portal. To access them, once you are in your portal, click on the E-locker icon on the green tab at the top of the page. This will take you to the E-Portfolio. Click on the download icon on the right-hand side of the Aspire row in the E-Portfolio. From here, if you are using Google Chrome, the test results will pop up at the bottom of the screen. Double click them to open them. If you are using another browser, i.e., Internet Explorer, the results will open when the download icon is clicked.

While in the classrooms, counselors also had students use their Naviance Family Connection accounts to explore careers through the use of inventories. Career clusters and pathways were examined. Looking at majors and careers and how that can affect choosing a college was explained. Students were encouraged to continue to use this valuable program as they examine their strengths, as well as their likes and dislikes. Ask your son or daughter to share it with you.
