

PROVIDENCE CATHOLIC HIGH SCHOOL

1800 W. Lincoln Highway • New Lenox, Illinois 60451 • (815) 485-2136 • www.providencethecatholic.org

Dear Celtic Families,

We hope you are having an enjoyable summer. We here at Providence are preparing for the 17-18 school year. One of those tasks is preparing for BYOD. As stated earlier, we have scheduled several BYOD set-up sessions for incoming freshmen. Although they are not required, we highly recommend that your student attend this workshop.

PCHS faculty and NHS students will show students how to attach to our Wi-Fi, install Microsoft Office, activate their StudentPlus account and more. It will be very helpful for your student to have these skills before the school year starts. All freshmen will get even more training during their Introduction to Technology class.

Sessions are limited to 40 students each. Students need only attend one of them. If none of the sessions work with your family schedule, we will have some short how-to sessions during the first two weeks of the school year. Those will be in the morning, before classes begin for the day. They will be publicized via the Daily Announcements, which are also posted on our website.

Before registering, we recommend you watch this brief video on how to register (and cancel or change your session time). www.schooltube.com/video/546c23d76a214190b333

When you are ready, click on this link to register your student for one BYOD Set-up session:
<https://pickatime.com/client?ven=11604819>

On the day of the workshop, please drop your student off at Door #4, on the east side of the school. We will have students there to greet your child and help him/her get checked in. This will also be the location where you can pick up your student at the end of the session.

As a reminder, ALL Providence Catholic students are required to bring a laptop to classes each day. Learn more about our BYOD program on our website at: <http://www.providencethecatholic.org/academics/byod/>. Please pay special attention to the [minimum specifications](#) and the [FAQ pages](#).

If you have any questions, please email me at rgrigoletti@providencethecatholic.org.

Thank you!

Rosanne Grigoletti
Technology Director, Providence Catholic High School
