Dear Celtic Parents,

I hope that this letter finds you and your family enjoying summer. The summer has started off with much excitement at Providence Catholic. Congratulations to the Class of 2016! We wish you the best during your new journey after Providence. Remember, “Once a Celtic, always a Celtic.” As many of you know, the Providence Catholic baseball team made history with the state’s first back to back to back State Championship. Congratulations to Coach Mark Smith, his coaches and players for this accomplishment!

While classes are not in session, the building is still full of activity with the Summer Studies Program, academic and athletic summer camps and our summer work crew diligently working to prepare the building for the next school year. There will be times certain entrances to the building are closed. If you need to come to the school for any reason, we ask that you please call ahead as the Main Office and other offices may not be readily accessible or relocated due to cleaning and other improvements. Please call us at (815) 485-2136 to plan your visit.

Mr. and Mrs. Dunne reached out to me and asked if they could please share their appreciation with the Providence Catholic community for their support and love over this past month. The letter from The Dunne Family is included on the next page.

Congratulations to our students for the accomplishments inside and outside of the classroom. Thank you for a successful school year. I look forward to your return in August.

Sincerely,

Dr. John Harper  
Principal

Dear Providence Community,

We wanted to thank you for your love and support this past month. We appreciate everyone coming out to the prayer vigil, visitation and celebration of Charlie's life. Thank you for the donations, flowers, plants, food brought to our house and most of all your thought and prayers. Providence Catholic is truly one family and our Charlie loved his time there.

Thank you to Fr. McGrath, Fr Merk, Dr. Harper, school administration and staff for hosting Charlie one more time for his visitation. The night was a beautiful tribute to Charlie and it was made possible because of a lot of planning and hard work by the PC family.

We cannot thank the teachers, students and football program enough for the way Charlie was treated at PC these past two years. He loved everything about being a Celtic and our family looks forward to seeing all of you in the fall at football games. Have a great summer!

God bless you and your families,

*Mike, Jodi and Jack Dunne*

## HOST FAMILIES FOR INTERNATIONAL STUDENTS

Providence Catholic is pleased to partner with Educatius International to provide opportunities for teens from around the globe to grow in faith, knowledge, and character as part of our Providence Catholic family. Educatius International is currently looking for potential families who will consider hosting students. **Hosting an international student comes with many rewards.** Host families are provided with a stipend to offset some of the additional expenses of an extra

teenager living in the home. But the real reward of hosting comes from the meaningful lifelong relationships created. Click here to learn more about hosting.

## TECHNOLOGY TID BITS

### VISIT OUR NEW WEBSITE

Providence Catholic has a new website! We invite you to become familiar with our website as it is a very important point of contact for day-to-day information for you and your student. Please visit [www.providencecatholic.org](http://www.providencecatholic.org) today. We have also included a sheet at the end of this newsletter, "Helpful Tips for Navigating the New PCHS Website" to assist you in navigating our new site.

### NEW STUDENT & PARENT PORTALS FOR 16-17

After June 30, Providence Catholic will no longer use Edline as our parent-student portal. We will be replacing it with ParentPlus and StudentPlus. These new portals are fully integrated with our student information system and gradebook. They enable teachers to share data and school/course information with you instantly. The mobile apps for both iOS and Android will make it easy for you to stay connected as well.

In early July, all parents will receive an email containing login credentials for ParentPlus. Included in that email will be links to tutorials, user guides and the mobile apps. Please be aware that parents will create individual accounts and each parent must have a unique email address in order to receive login credentials. Parents cannot use the same email address. If we do not have your current email addresses, please contact Ms. Melissa Muehler at (815) 717-3143 or via email at [mmuehler@providencecatholic.org](mailto:mmuehler@providencecatholic.org).

### FAMILY INFORMATION FORMS

In early July, the primary parent of each family will receive an email regarding filling out the "Family Information Form." The email will contain a link to a secure site, where you will be asked to verify and update your students' information, including medical and emergency information. **This form is just one of the requirements needed to receive a student schedule and book sale admittance number.** Please be aware that the email will be sent only to the primary parent, which you indicated last year when completing this form.

### BYOD PROGRAM CONTINUES NEXT YEAR

During the 16-17 school year all freshmen will be required to BYOD, or "Bring Your Own Device." They will have their laptop/tablets during the entire school day for educational use. At the same time, teachers of sophomores, juniors and seniors will be "in training mode." They will be implementing more class activities and lessons that incorporate the use of those devices. Although we currently have laptops for classroom use, all sophomores, juniors and seniors are highly encouraged to BYOD next year. In addition to classroom activities, students can also use the laptop for note-taking and organization.

**Remember that a smartphone is not an acceptable device, since it does not meet our minimum specifications. Students may use their phones ONLY with the permission of the classroom teacher.**

During the 17-18, all students will be required to BYOD. Learn more about our BYOD program on our website, **paying special attention to the Minimum Specifications and FAQ sections.** If you have any questions, please contact Technology Director Rosanne Grigoletti at [rgrigoletti@providencecatholic.org](mailto:rgrigoletti@providencecatholic.org).

## MICROSOFT OFFICE FOR STUDENT DEVICE

As families purchase devices required for our BYOD program, we want to make families aware of a benefit for all students which will save you money! Microsoft's *Student Advantage* is part of our volume license agreement. As such, all PCHS students are eligible for the following:

- The latest versions of Microsoft Word, Excel, PowerPoint, OneNote, Outlook, Access and Publisher
- Installation on up to five PCs or Macs, and the Office apps on other mobile devices including Windows tablets and iPad
- One Terabyte of OneDrive cloud storage
- Office Online

We will assist students with installation of the software during the first week of the 2016-2017 school year. Also during those first weeks, the Technology Staff will conduct training sessions for other BYOD-related tasks such as connecting to the Wi-Fi, logging in to the network and internet filter and more. In the meantime, please do not purchase Microsoft Office or attempt to install the software on your own.

Providence Celtic Hockey Supporter:

The Providence Catholic Ice Hockey Program will be holding its 12<sup>th</sup> Annual Golf Outing on Friday, July 29, 2016, at the Broken Arrow Golf Club in Lockport, IL. Over the past years, many golfers and sponsors have participated to make this event a repeated success. The proceeds from this event directly benefit the Ice Hockey Program and help to keep the costs to play hockey at Providence Catholic High School affordable. It is because of the success of this event that our program is able to offer an affordable high school hockey program.

Broken Arrow Golf Club offers golfers of all skill levels an exciting round of golf at a beautifully maintained golf facility. If you enjoy playing golf, please join us for a four player scramble format including golf related contests (longest drive, longest putt, and closest to the pin). Another way to support this fundraiser is to be a sponsor. Please see the attached flyer outlining the available sponsorships. All sponsors will be recognized for their generosity to the hockey program. Please refer to the enclosed flyer for further information regarding individual golfers, forming a foursome or being a sponsor.

Also, please do not hesitate to contact me if you have any questions regarding our golf outing.

I look forward to seeing you at Broken Arrow Golf Club. Thank you for your interest and support in Providence Catholic Ice Hockey.
