## HISTORY

The Fall Harvest Drive was initiated in 1968 to raise funds for Providence, which was facing a serious financial crisis. In an effort to prevent Providence from closing its doors, the school held a car raffle and carnival that generated \$15,000 the first year and \$32,000 the following year. Encouraged by the results of this fundraising effort, the Joliet Diocese decided to keep the doors open. Since then, the Fall Harvest Drive has become an annual event, which enables Providence Catholic to keep its tuition competitive with other private schools in the area. Students raised more than \$366,000 last year.

## PURPOSE

The Fall Harvest Drive is a **MANDATORY student fundraiser that involves the participation of the entire Providence Catholic community. Income generated through the Harvest Drive is vital to the financial stability of the school; proceeds are built directly into the school's operating budget. Thanks to the support from the local community and area businesses, Providence is able to keep tuition increases at a minimum and still provide an outstanding college preparatory education to its students.**

**D** Each student is required to raise a minimum of **\$350**, while families with two or more students at Providence are required to raise a minimum of **\$500**. Each family will receive raffle tickets worth their required quota (**\$10 per ticket**). These tickets along with a reference guide will be distributed to students on **Monday, August 22**. Students may reach their mandatory fundraising quota by selling raffle tickets **and/or** selling advertisement listing(s) that will appear in the Harvest Drive E-Directory via the PCHS website. All unsold raffle tickets must be returned to avoid additional charges. This year's Drive begins on **Monday, August 22** and concludes on **Friday, September 9**.
