CHARGE LUNCH ON YOUR ID CARD!

Dear Parents & Guardians,

For the 2016-2017 school year, Providence Catholic High School is pleased to announce that we are now using the QuikLunch[®] Point of Sale Cash Register System in our cafeteria. Students may use their student ID card to access their individual prepaid account to charge their lunch in the cafeteria. This service will reduce time consuming cash transactions and allow our lunch lines to move much faster. Cashiers will spend much less time taking cash at the serving line, parents do not have to worry about lunch money not reaching school, and students never have to worry about not having money to pay for lunch.

While cash is still accepted in the cafeteria, our hope is that parents will appreciate and utilize the ease and convenience of prepaying for their child's lunch. Vending machine purchases will remain cash only.

Parents have the ability to manage their student's meal account over the internet by using PayForIt.net, an online school management tool. The website is <https://www.payforit.net>. Using PayForIt, parents can log in at any time to make a deposit to their child's account, view their child's account balance, set up recurring deposits to their child's account, set up e-mail notifications when their child's account falls below a certain dollar amount, or request a report showing what the child has purchased on their account.

Cash and checks will also be accepted in the main office of the school during the school day to add to your student lunch account. There is no fee for payment received thru the school by cash or check. Please include your student's name and ID number with the payment. Payments received through the school will be posted to the student's account the following day. Please keep this in mind when checking the account balance and adding funds.

A 4.75% fee is assessed every time you add money to your student's account using a credit card. Parents can also deposit money to their student's account using an ACH check. The fee to do this is \$1.75 per check. The fees are charged only when you add money to your child's account via the PayForIt website. Payments processed before 9:00 PM ET should post to the student's account the next morning. If you have multiple children enrolled in PCHS, you can add money to each child's account during the same transaction.

(Note: If you wish to use a Mac computer to process a transaction through PayForIt, you must use the Firefox internet browser; PayForIt.net is not currently compatible with Safari. You may download Firefox for free by visiting www.mozilla.com.)

Transactions processed by PayForIt.net are safe and secure using Secure Socket Link; SSL, technology with Digicert. With this technology, families can be assured that all student information, credit card information and all other student data will be highly encrypted and secure.

For support for your PayForIt account, please refer to the contact information and FAQs on the PayForIt.net website. If you have any questions about the program at Providence Catholic, please email quiklunch@providencecatholic.org. We will return your inquiry within 24 hours.

Sincerely,

Fr. Richard J. McGrath, O.S.A., PhD.

President, Providence Catholic High School

To create your PayForIt account, refer to the attachment included in this email. Directions are on the right side. You will need the following student information. Be sure to enter it exactly as shown here:

Student First Name: xxx

Student Last Name: xxx

Student Unique ID#: xxx
