TRAFFIC & PARKING FOR THE 17-18 SCHOOL YEAR

Thank you to everyone for your continued cooperation with traffic and parking as we transition into construction of our new Student Cafeteria and Commons. Please continue to follow the direction of the adults in the parking lots. As we get closer to breaking ground, please be aware that traffic patterns will change. We will be sure to keep you updated.

SPECIAL B SCHEDULE: THURSDAY, 9/7

Last year, Mr. Troy Cicero from MulticultuREAL led our faculty, staff, and students as we embarked on a journey of valuing diversity, creating inclusion, and building cultural competence. This year, the journey continues! On Wednesday, September 7th all Freshmen will engage in a workshop designed to build community. This will be a late start day for all sophomores, juniors, and seniors, but all **freshmen are to report to their 5th period class at 7:55 a.m.** for attendance. **Busses will run on the A-day schedule (no late start).** **Sophomore, junior, and seniors will begin their school day at 9:27 a.m.**

DRUG-FREE DIRECTORY

Providence Catholic will once again publish a Family Drug-Free Directory. An email will be sent to the PRIMARY contact for each student the week of September 4th with instructions and a link to allow you to add your family information to this directory. The directory will be published and emailed to all participating families the week of Homecoming.

SACRAMENTAL PREP OFFERED AT PCHS

The Pastoral Department will conduct sacramental preparation for those who would like to be baptized in the Catholic faith or receive their 1st Communion or Confirmation. If your child is interested in preparing for the reception of any of these sacraments, please call Mrs. Annie Persicketti at (815) 717-3139 by Friday, September 8, 2017.

ROAD TO REALITY COMING TO PCHS: WEDNESDAY, 10/4

The Centers for Disease Control and Prevention website reports, "alcohol is the most commonly used and abused drug among youth in the United States." The consequences of underage drinking are all-encompassing, impacting family, school, and the local community. Logically, any initiative to reduce or eliminate the alarming trend of teen alcohol abuse must also be far-reaching, promoting a partnership between parents, school officials, and municipal and village leaders. Providence Catholic has entered into such partnership with local and county wide groups to bring **Road to Reality** to PCHS on Wednesday, October 4th from 6:00 p.m. – 9:00 p.m.

Biennially, the Illinois State Board of Education (ISBE) anonymously surveys students enrolled in grades 8, 10, and 12 as a way of gathering and tracking reliable data on substance abuse patterns among teens. The ISBE has published the general statewide results in a report known as, the Illinois Youth Survey (IYS), along with a customized school report detailing how our own Providence Catholic High School (PCHS) students responded to the survey. **IYS 2016 PCHS results** indicate that 59% of our 10th graders and 84% of our 12th graders admit to using alcohol within the past year, while 23% and 36% of 10th and 12th graders respectively report using alcohol within 30-days of completing the survey.

The administration and faculty of Providence Catholic High School are committed to combating this alarming rate of student alcohol abuse, by reshaping their view of reality. **Road to Reality** is a powerful and compelling program illustrating the potentially horrifying consequences of underage drinking and drunk driving. Relatively small groups of 15-20 students, and parents will be escorted along the **Road to Reality**, six carefully scripted scenes depicting the decisions made and consequences of, under-age drinking. By design, the program is intense, suitable for high school students and their parents. While some middle school students may be mature enough to handle the content, we do not recommend it for any child under twelve years of age.

Please watch for more information on this very important event via email, as well as upcoming newsletters.

BOOKSTORE VOLUNTEERS

Bookstore "angels" are parents and grandparents of our students who volunteer in the Bookstore for a specific shift each week either before school (7:15 a.m.-8:00 a.m.; No Thursdays) or after school (2:30 p.m.-3:15 p.m.; no Fridays) to help in daily routine of selling Celtic spirit wear to students. If you have time available and can volunteer, please contact Mrs. Alice Hartel via email at ahartel@providencecatholic.org to be added to the schedule.

STUDENT ACCIDENT INSURANCE

Once school begins, students are covered by the Christian Brothers Services Student Accident Plan that is designed to act as a SECONDARY/ADDITIONAL plan to your family's primary accident and medical insurance coverage. Please remember, you are responsible as the primary payer to any doctor who treats your student. Providence Catholic is not responsible for any medical costs, even if treatment is recommended by a Providence faculty or staff member. If your student is injured at school, the supervising adult is required to complete a claim within 24 hours of the accident. These forms are mailed to parents. In the unlikely event that you do not receive this report within two weeks of the injury, please contact Ms. Laura Ziesmer at (815) 717-3176, or via email at laziesmer@providencecatholic.org.

QUIKLUNCH: CAFETERIA PAYMENT PROGRAM

We are pleased to continue to offer students a more convenient method of payment in the cafeteria. In addition to paying with cash, students can also use their Providence Catholic School ID card to pay for breakfast and lunch items.

Parents can manage their child's meal account via the web using PayForIt.net. With PayForIt, parents can log in at any time to make a deposit to their child's account, view their child's account balance, set up recurring deposits to their child's account, set up e-mail notifications when their child's account falls below a certain dollar amount, or request a report showing what the child has purchased on their account. Parents can add money onto an account online, or drop off a check in the Main Office.

Representatives from our Food Service Department will be on hand in the cafeteria during Meet the Teacher Night on Wednesday, August 30th to answer any questions, as well as collect cash or check payments for accounts.

The Harvest Drive is the only mandatory student fundraiser and begins on Monday, August 28th. Information concerning this year's Harvest Drive is included at the end of this newsletter. You can also visit the [Harvest Drive page](#) on the PCHS website. Every Providence Catholic family has a fundraising obligation of \$350 per student, or \$500 per family with two or more children at PCHS. Students who exceed their obligation by a minimum of \$100 will earn tuition credit or gift card prizes. Top-selling students and families will also earn up to \$5,000 in tuition credit. Students who do not raise their fundraising obligation will have the difference between their required quota and the amount they raised added to their tuition statement in November. This difference must be paid immediately, and cannot be spread out over the remaining tuition payments. Details for Harvest Drive 2017 are included in this newsletter. For any questions pertaining to Harvest Drive, please contact our Harvest Drive Coordinator, Mrs. Karen Mahalik at (815) 717-3161, or via email at kmahalik@providencecatholic.org.

HISTORY

The Fall Harvest Drive was initiated in 1968 to raise funds for Providence, which was facing a serious financial crisis. In an effort to prevent Providence from closing its doors, the school held a car raffle and carnival that generated \$15,000 the first year and \$32,000 the following year. Encouraged by the results of this fundraising effort, the Joliet Diocese decided to keep the doors open. Since then, the Fall Harvest Drive has become an annual event, which enables Providence Catholic to keep its tuition competitive with other private schools in the area. Students raised more than \$366,000 last year.

Important Dates

Mon, Aug 28 Harvest Drive kicks off*

Thurs, Sept. 14.... Money Turn-In (Day 1)

Wed, Sept. 20 Money Turn-In (Day 2 - Final)

PURPOSE

The Fall Harvest Drive is a **MANDATORY student fundraiser** that involves the participation of the entire Providence Catholic community. Income generated through the Harvest Drive is vital to the financial stability of the school; proceeds are built directly into the school's operating budget. Thanks to the support from the local community and area businesses, Providence is able to keep tuition increases at a minimum and still provide an outstanding college preparatory education to its students.

DETAILS

Each student is required to raise a minimum of **\$350**, while families with two or more students at Providence are required to raise a minimum of **\$500**. Each family will receive raffle tickets worth their required quota (**\$10 per ticket**). These tickets along with a reference guide will be distributed to students on **Monday, August 28**. Students may reach their mandatory fundraising quota by selling raffle tickets **and/or** selling advertisement listing(s) that will appear in the Harvest Drive E-Directory via the PCHS website. All unsold raffle tickets must be returned to avoid additional charges. This year's Drive begins on **Monday, August 28** and concludes on **Friday, September 22**.
