The Virtual Bookstore will be available for preview beginning July 1, 2017. Books will be available for purchase beginning July 17, 2017. We will send you login information as the date approaches.

Purchasing Options

Individual, Shop-By-Course

- Choose from multiple purchase options, including new or used textbooks. eTechCampus also offers textbook rental on selected titles. Rental books offer up to 50% savings from purchasing a new copy.
- Limited books may also be available in digital format – look for eTextbooks on the website where available.

One-Price Rental Bundle

- Rental bundles provide families with the biggest savings! All needed course materials will be provided as rentals except for workbooks, digital products, locks and goggles, which are not required to be returned at the end of the year.
- Once you login with your student's information, the Virtual Bookstore will automatically populate an order based on your student schedule. But don't worry, schedule changes will automatically be updated after the order is placed and after it has shipped!

Fast Delivery

- eTechCampus ships all orders from their warehouse the same or next business day via USPS or UPS Ground. Expedited shipping options are available, but it is best to order early to avoid extra shipping fees and for the best used book selection.
- As an added benefit, the bookstore has extended a free USPS shipping offer for the first two weeks the booklist is available, beginning July 17, 2017.

Customer Service

- eTechCampus accepts returns on books purchased or rented through the website 30 days from your order date or 30 days from the start of classes, whichever is later.
- eTechCampus' dedicated customer service team is available at 877.284.6744 Mon – Fri from 9:00am to 5:00pm EST, or at by email at bookstore@etechnology.com.

Future Textbook Buyback and Rental Return

- eTechCampus will offer an on-site buyback and rental return each year at the end of finals with premium pricing. Families also have the ability to return rentals online, as well as sell their textbooks for premium pricing during the buyback period.
- When selling textbooks families may choose to be paid by check or in-store credit. Choosing in-store credit earns families 5% more back that can be used on next-year's materials.
- Families are always welcome to sell textbooks 24/7 through the Virtual Bookstore. Premium pricing is applied during the buyback period.

2017 Textbook Buyback ONLY!

- THIS YEAR ONLY, eTechCampus will offer up to 70% of last year's purchase price when choosing in-store credit, and up to 50% for check/cash back!
- Students must return their books in the small gym on May 22nd and 23rd to receive this offer. Additionally, books must be in resaleable condition and not be on the discontinued list for the following school year.
- The 24/7 online buyback is still available to families after 23rd, but only with premium pricing rather than the offer above.

Rewards Program

- Shop with certain retailers and earn credit to help pay for textbooks!
