

HOW CAN YOU HELP?

Gifts can be made by check or credit card. This year Providence Catholic is proud to introduce the TEXT to GIVE option or you can go directly to **ProvidenceCatholic.org** to make an on-line gift. Some benefactors chose to make a gift of appreciated securities.

We encourage donors to check with their employers to see if their gift can be matched. This may double or triple your gift!

PROVIDENCE AND THE ANNUAL FUND

The Annual Fund is Providence Catholic's annual giving campaign. The generous support and dedicated commitment of alumni, parents and friends ensures Providence Catholic's financial future.

Each donation acts as a bridge closing the GAP between tuition and the actual cost of educating a student. Contributions to the Annual Fund support the school's operating budget for need based scholarships and faculty/staff salaries and benefits. Providence Catholic does not receive any federal, state, or local funding.

WHAT DOES IT MEAN TO CLOSE THE GAP?

This year tuition revenue will cover 76% of the school's total operating budget. Tuition is \$12,200 per student, whereas the cost to educate per student is \$16,084.

To bridge the difference, PCHS relies on donations through the Annual Fund. The GAP per student is \$3,884. Unrestricted giving to Providence Catholic fills the GAP each year. **Your support is important!**
