CATHOLIC ELEMENTARY SCHOOL DISCOUNT VERIFICATION FORM

The Administration of Providence Catholic High School wishes to support Providence families in which parents work in Catholic elementary schools. Since Catholic elementary schools are part of the Catholic school system, Providence is offering a \$1,200 discount for the first child and a \$1,080 discount for the second child of parents who work in Catholic elementary schools as full-time teachers or as full-time active staff members (40 hours minimum). Providence extends this benefit in recognition of the fact that Catholic elementary school teachers and staff members earn a lesser salary in Catholic education than they would at a comparable public school. Since our work in Catholic education is based on honesty and integrity, only those who are full-time teachers and staff members in a Catholic elementary school should complete this form and return it to Providence. Fr. John Merkelis will personally confirm employment with the school principal. Parents working in rectories, religious education, or in other Church related or non-for-profit agencies or organizations are not eligible for this benefit.
