

DONATIONS NEEDED!

IALAC 2.0 is hosting a

Blanket & Non-Perishable Goods drive

Individually wrapped items like granola bars, fruit bars, crackers and more are much-needed items for the drive - things that don't need to be microwaved or cooked or have to have anything added to them to eat. Blankets and warm items are also much-needed.

Bring your donations to the Counseling Office by December 17. Donations will be hand delivered to those in need this Christmas!
