1800 W. Lincoln Highway • New Lenox, Illinois 60451 • (815) 485-2136 • www.providencecatholic.org

Dear Parents & Students,

I hope you are having a wonderful and healthy summer!

All students enrolled in a math class are required to have the Ti-Nspire CX II Graphing Calculator. Currently, the calculator is \$123.99 at Target. Please do not buy the graphing calculator with CAS. It is not allowed on the ACT or SAT exam.

Once you have purchased the calculator, please install the Ti-Nspire CX II Student Software that is included with your calculator packaging on your laptop at home. Please use the following link to download your software:

<https://education.ti.com/en/software/details/en/a78091cd540843d68ab8ee5853c84828/student-nspirecx>.

If you have any questions, please do not hesitate to contact me at cgregory@providencecatholic.org.

I look forward to seeing you soon!

Mrs. Chrystal Gregory
