## TEACH A LESSON!

Spend a few hours in the classroom working directly with PCHS teachers and students to teach a lesson about one of the above topics.

## MENTOR STUDENTS!

Work with a group of PCHS students throughout the school year to help them develop their idea into a minimum viable product and teach them how to think with a business mind.

## BE A CHAMPION FOR PROVIDENCE CATHOLIC!

Help us bridge the gap between the PCHS and our community to find business minded people to both teach a lesson(s) about their area of expertise and/or mentor a group of PCHS students.
