Dear Providence Catholic Family,

We hope you are having a great summer! We would like to take a moment to introduce ourselves: we are Country House Kitchen Company! We are excited to be in charge of the foodservice program at Providence Catholic. Our goal is simple: People leaving the cafeteria should be happy and well fed.

Every morning starts with homemade breakfast. The spread includes fresh eggs, from scratch pancakes and french toast, sausage, bacon, potatoes, breakfast sandwiches...the works. Our lunch menu includes our signature homemade pizza dough, fresh salads, sandwiches, and wraps, a daily pasta bar with homemade sauces, and of course our restaurant quality specials. As the year progresses, we will be consistently updating the menu and offering new choices and a wide variety, while maintaining the highest quality by using fresh ingredients and home-style recipes.

In the cafeteria, we will use the MealTime point of sale system. Student accounts can be funded via credit card at mymealtime.com, or with cash or check (made payable to Country House) at the registers in the cafeteria. More information and instructions on the MealTime system can be found on the school's website at: [Food Service | Providence Catholic High School](#).

We continually strive to improve our service. Please feel free to check out our website for more info on our approach to school kitchens (www.chschoolfoods.com) and/or send us an e-mail (countryhouse@providencethecatholic.org) anytime. It would be great to hear your suggestions and feedback as we move along the school year. We would love to hear from you, and we are very proud to be joining the Providence Catholic Family!!

Sincerely,
Country House Kitchen Company
