Dear Parents & Students of the Junior Class,

Because we believe extra preparation for the ACT test is valuable for many students, Providence Catholic will offer an ACT Preparation Workshop which will be taught by our faculty members. The purpose of the workshop is to better acquaint students with the format of the ACT and the types of questions on the exam. It will also provide students with an opportunity to take an official (retired) ACT test under testing conditions. On average, students who take our workshop show more growth between the practice ACT and the actual ACT than students who do not attend the workshop.

The workshop will be held in-person on **five consecutive Saturdays: March 4th to April 1st, from 8:30 a.m. to 11:30 a.m.** The first four Saturdays will be devoted to the academic areas of the test, English, Mathematics, Reading, and Science Reasoning. On the fifth Saturday, April 1st, an official (retired) ACT Test will be given under testing conditions. These tests will be scored and returned to the students the following **Monday, April 3rd**. The optional Writing Test is not formally addressed in the Workshop. However, there is information in the textbook that students can use to prepare for the writing portion of the test.

The total cost of the workshop is \$100.00. This price includes the book, [The Official ACT Prep Guide 2022-2023](#); an official (retired) ACT Test and special scantron sheets needed to correct the test. Payment options are included on the registration form.

If a student is unable to attend a Saturday session, he/she will have the opportunity to attend a make-up class after school. The dates and times will be communicated at a later date.

If you would like your student to participate in this workshop, complete the registration form included with this letter and return it to the school, Attn: Mrs. Sallade, by **January 31, 2023**. If you would like to have your student participate in the workshop but feel you cannot meet this deadline for financial reasons, please contact me.

The national ACT testing date is **April 15, 2023**. Please note that registering for the ACT Workshop at Providence Catholic is **not** the same as registering for the national ACT. Students must also complete the registration process for the national ACT test. Directions for this will be communicated through the Counseling Department.

If you have any questions regarding this workshop, please contact me.

Sincerely,

Mr. Titus Thompson
