

Parents, Players & Friends,

Once again, the girls' basketball program will participate with our Program Christmas Service Project. The Care-Kit Foundation was started by the Rost family and our former standout player, Kate Rost. Our goal is to receive enough items to make over 100 kits! The Care-Kit Foundation will package the kits and donate to The Women's Domestic Violence Shelter. All players/families please consider donating for our program's Christmas service project and possibly share the email/flyer and collect another donation or two. Items will be collected up to **MON DEC 20TH.....**

Here are some suggestions:

bring in Bottles of Shampoo (approximately 12-16 ounces)

bring in Boxes of Toothpaste (approximately 3 ounces)

bring in Bottles of Conditioner (approximately 12-16 ounces)

bring in Boxes of Toothpaste (approximately 3 ounces)

bring in Women's Deodorants (approximately 1.5 ounces)

bring in colorful plastic loofah sponges

bring in lotion (2.5 to 8 ounces)

ALL DONATIONS CAN BE BROUGHT TO THE MAIN OFFICE or TECH OFFICE FOR COLLECTION. Macy Sullivan and Sophie Morey will be the player contacts to help with questions and collections.

LET'S TOGETHER TRY TO MAKE A SMALL DIFFERENCE AS THESE DONATIONS WILL BE DELIVERED TO **THE WOMEN'S DOMESTIC VIOLENCE SHELTER.**

Thank you,
