

How to Order Textbooks

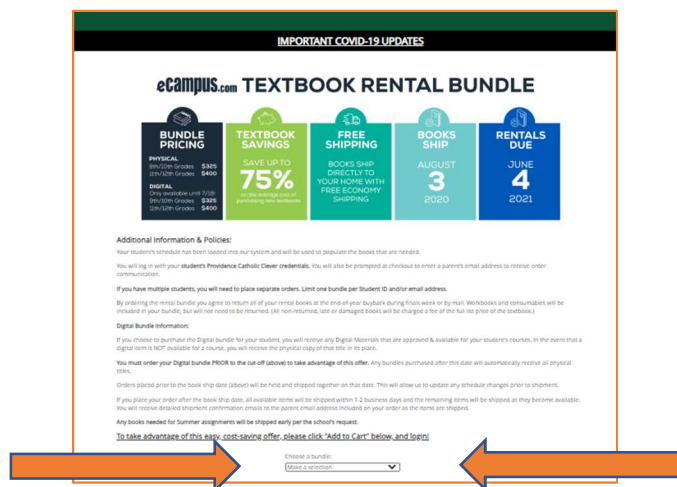

1. Go to <https://provcatholic.ecampus.com/>
Click on the **Shop Now** button

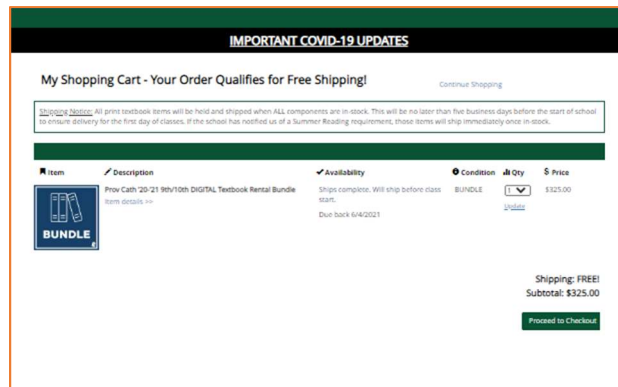

2. Choose either **Textbook Bundle** or **Use Course Selection**.
 - If you choose **Textbook Bundle**, the system will pull your student's schedule and populate the required books and materials for his/her courses. This is also the most affordable option.
 - If you choose "**Use Course Selection**", you will need to select each textbook and required materials (goggles, paperback novels, etc.) for each class your student is taking.

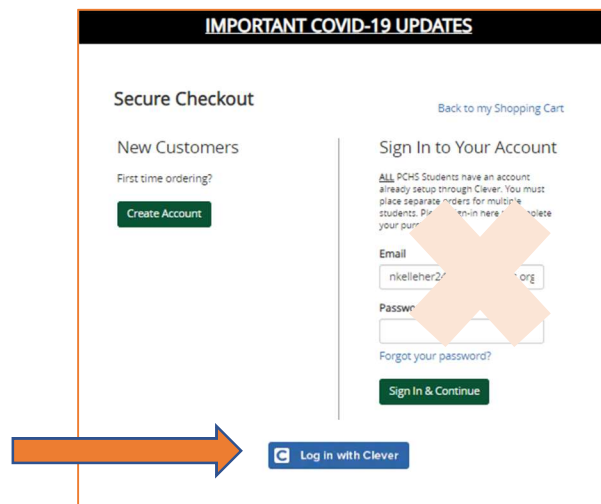

3. After choosing the **Textbook Bundle**, carefully review the information on the page. Choose the proper bundle at the bottom of the page and click **Add to Cart**.
 - If you choose to purchase the **Digital bundle** for your student, you will receive any digital materials and ebooks that are available for your student's courses. In the event that a digital item is NOT available for a course, you will receive the physical copy of that title in its place. Students will not receive both a digital and physical book for each course.
 - If you choose to purchase the **Physical bundle**, you will receive all physical books for all your student's courses.

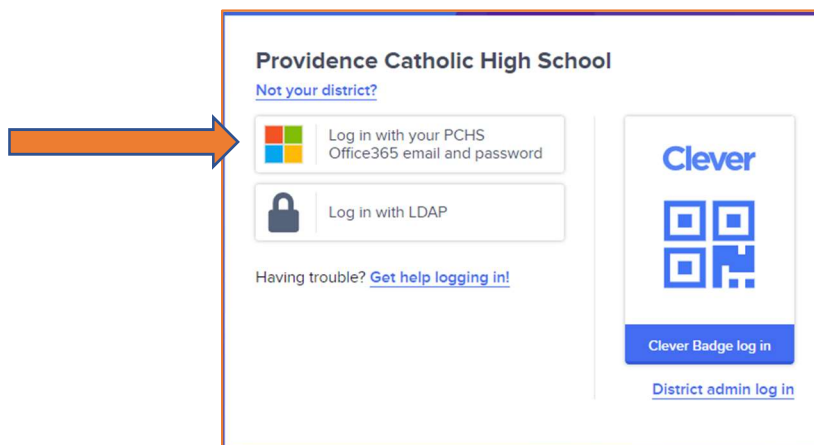

4. Once you have reviewed the item in your shopping cart, **Proceed to Checkout**. Remember, if you have more than one student and plan to purchase **Digital bundles**, you must do this in a **separate transaction** for each student so that the proper e-book information is sent the correct student.

5. **IMPORTANT!** At the next screen, do NOT enter the email and password! Instead, click on the blue **Log in with Clever** button.

6. At the **Clever login** screen, click on the top option to log in with your PCHS account. Then enter the student email and password that was sent to you via email on Friday 6/5/20.

7. You will be at the **Secure Checkout** screen.

To complete your order, follow the prompts on the screen, entering parent name, address and payment information.
