PCHS parents use a variety of online accounts for information and services. Below is a brief explanation of each. Some of the parent accounts require specific student information for activation. We will email student credentials/information to parents during the summer months. (See the [Back-to-School page](#) for specific dates.)

Please keep those emails as reference until you have activated all your accounts. After that, you can always retrieve a copy in your ParentPlus e-locker.

FACTS:

FACTS Management is a convenient, online method to manage your tuition payment plan and apply for financial aid. Enrolling in a FACTS tuition payment plan allows you to select a payment option that best suits your financial needs. All families are required to create an account and follow the necessary steps to establish a tuition payment plan. Read more on the [tuition page on our website](#).

eCampus:

You will need your student's PCHS email and password in order to purchase/rent textbooks from eCampus, our preferred vendor. **The eCampus online bookstore opens the first week of July.** Please refer to our [Online Bookstore page](#) for all dates and ordering information. The login credentials you need will be emailed to parents by the **last week of June**.

ParentPlus:

Your ParentPlus account will enable you to view your student's grades, discipline and attendance records. Your e-locker will contain all letters, report cards and other individualized reports. Returning parents will continue to use their current ParentPlus account. **By the end of July**, all new parents will receive a separate email with directions for activating their ParentPlus accounts. See the [ParentPlus information page](#) on our website.

pickAtime:

PCHS uses pickAtime to schedule Parent-Teacher conferences. We will email directions to all parents approximately 3 weeks prior to the date of conferences. Nothing you need to do regarding pickAtime right now!

Primary Parents:

Throughout the school year, certain emails will only be sent to "primary parents". Get an explanation [here](#).
